We do not have any paid staff we are all volunteers with Post-Polio Syndrome. We are always pleased to hear your hints, tips, bits and in fact anything from the media of interest to polio survivors lives. We would rather have the info ten times than not at all. If this is a renewal request and you do not wish to renew please let us know where we are not meeting your needs. If finances are tight, and we do understand they can be, get in touch.
